

Organised By:

Dealing with Risk Management in China: Which cultural specificities?

Supported By:

For foreign managers in China, identifying operational risks and communicating on them towards local teams may reveal a delicate task; by operational risks we embrace all the categories of risks that may endanger the achievement of the business objectives assigned to the local entity, which if not covered could undermine the performance or reputation of the firm.

Date
30 June 08 (Mon)

Addressing the key areas of risk:

- o What are the major areas of business risks based on recent reports and studies?

Time
